

Privacy Policy

Thank you for visiting the LeaseWare website located at www.leaseware.be (the Site). We are firmly committed to respecting and protecting your privacy. To that end, we are pleased to provide this Privacy Policy to describe our information gathering and use.

Acquisition of information

You may visit the Site without identifying yourself or revealing any personal information. The Site does collect information such as domain, IP address, browser type and operating system for trends and statistics, but this information does not personally identify you.

We may ask you to provide personally identifiable information if you are signing up as a user for the services this Site provides.

How we use the information

The personal information you provide will be used for the purpose for which it was provided - to contact you, to send you a user personal account, to process an order, to register your product, etc. LeaseWare may use any information you have provided as reasonably necessary to provide customer support to you. LeaseWare may also use your contact information to provide notices regarding the products or services that you have purchased or used, as well as to inform you about new products or promotional campaigns.

With whom we share your information

LeaseWare may share information with its billing companies. This is necessary for processing your orders or troubleshooting.

Your information may be shared with LeaseWare authorized resellers and partners who we may think would serve you better.

Information Security

LeaseWare will strictly protect the security of your personal information; protect your data from loss, misuse, unauthorized access, disclosure, alteration or destruction. Your personal data, including your e-mail address, is used for internal purposes only and is never sold or shared with anyone outside of LeaseWare or our authorized resellers, unless we disclose information in response to a law enforcement request.

Public Forums

Please remember that any information that is disclosed in our Public Forum becomes public information and exercise caution when deciding to disclose any personal information in these areas.

If you have any questions about this privacy statement, please contact privacy@leaseware.be
